Hands-on Exercise No. 4 DigiSkills.pk 2.0 Batch-02 Creative Writing	Total Marks: 10 Due Date: 22/09/2022

Instructions:

Please read the following instructions carefully before submitting this Hands-on Exercise:

- Use MS Word to prepare exercise solution.

- You may consult tutorials and videos if the concept is not clear.

- Your submitted exercise will not be considered/counted if:

  - It is submitted after due date.
  - It is not in the required format (.doc or .docx)
  - It does not open, or file is corrupt.
  - It is copied (partial or full) from any source (websites, forums, students, etc.)

Learning Outcome:

After completing this exercise, you shall be able to:

- Learn about listicles and how they are written
- Write entertaining content on any topic
- Learn to use images relevant to the written content
- Proofread and edit your work using online tools

<u>**Problem Statement**</u>

Write an article in the form of a listicle on the following topic:

5 tips for a fun movie night at home

Tasks:

- Write entertaining content on the given topic in the form of a listicle.
- The word limit should be 300 to 450 words.
- Write an introduction to the topic (3-4 lines).
- Write 5 different tips/ideas and make sure to write them in the form of a list.
- Create a heading for each idea/tip and write at least 2-3 lines under each heading.
- Add relevant images.
- Edit and proofread your work before submitting it.
- Use Grammarly or Hemingway editor to proofread.
- Note that plagiarized content will be marked zero.
- Keep the name of the file simple e.g. CWE04.

Guidelines:

- Carefully watch **Video Lesson No. 111-119**, before attempting the exercise.
- Your Solution file SHOULD:
  - Not have copied content/format, as it will not be considered grade worthy.
  - Be submitted in MS Word format only.
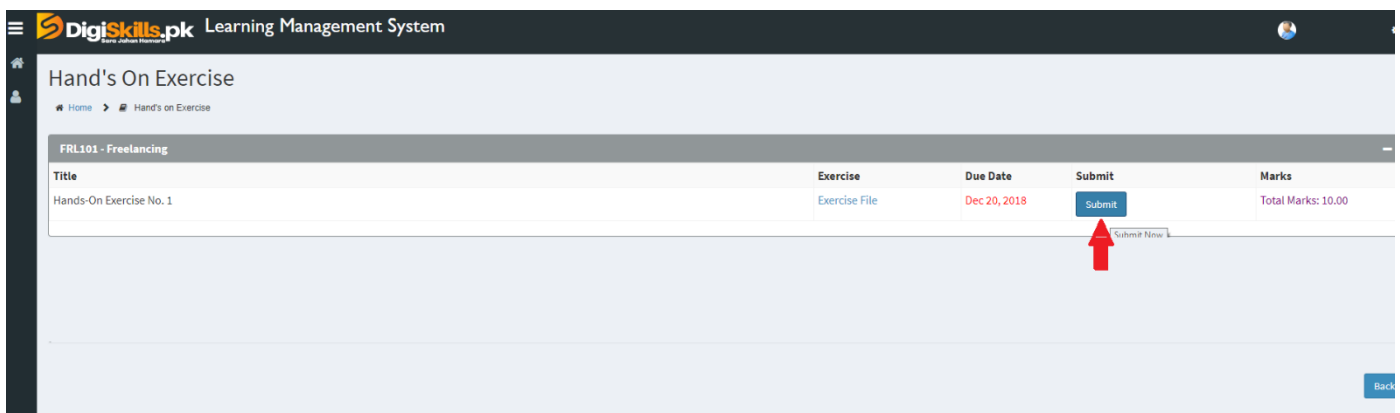

BEST OF LUCK ☺

How to submit solution file on LMS?

Please perform the following steps for submitting your solution using LMS:

1) Login to the LMS

2) Click on the **Exercises** button within the **My Activities** section

3) Click on the submit button to upload your Solution.
